

Leawo Is Offering 40% Off Coupon for Blu-Ray Cinavia Removal During 2020 Back to School Carnival Activity

Leawo Software just held 2020 Back to School Giveaway & Specials activity recently, lasting from now to Aug 31, 2020. Everyone can acquire a free giveaway and a favorable discount for several products as well.

Shenzhen, Aug 17, 2020 (Issuewire.com) - In the past decade, Leawo Software dedicated to developing superb products on media dissemination and also other utility programs, helping people to explore more new things while they are enjoying movie time. Several days ago, Leawo Company just rolled out its [Back to School Special Promotion](#), aiming to enhance users' experience as they using multimedia software. It's worth noting that this promotion is open to anyone, just don't be mislead by its title. Moving ahead to its page, people will easily find out they can get a giveaway named iTunes DRM Video Converter, which is quite a useful tool to remove DRM protection upon iTunes videos as well as converting iTunes DRM videos to DRM-free MP4 files. Rolling down the promotion page and people can catch detailed discount info on Blu-ray Cinavia Removal, as one of the top-seller singles, [Leawo Blu-ray Cinavia Removal](#) is now available with 40% discount, which means everyone can purchase this program at the price of \$65.97 instead of its full price (\$109.95).

For the people who are keen on watching Blu-ray movies, they might know well about Cinavia Protection. Cinavia is an advanced anti-piracy technology that embeds anti-piracy technology into sound files to generate inaudible sound information. Even after re-encoding or external recording, Cinavia-generated anti-piracy cannot be eliminated, information can still be identified by dedicated devices. Besides, Cinavia has been widely used in new Blu-ray movies and Blu-ray players.

With this powerful program, people have no longer worry about the issue of Blu-ray discs can not play back due to its built-in Cinavia watermark. On the contrary, Leawo Blu-ray Cinavia Removal is capable of [removing Cinavia](#), AACs, BD+ and MKB protection so as to copy Blu-ray movies without any quality loss. Aside from that, this powerful program can 1:1 copy movies in form of Blu-ray disc, Blu-ray folder and ISO image file without quality loss. Besides, it provides 2 copy modes (Full Movie and Main Movie

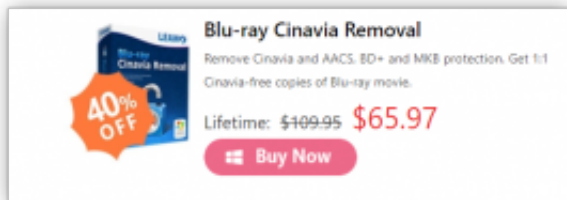

respectively) within this program for different needs. Along with the help of GPU acceleration technology, it can copy content with high speed as well, which makes people work effectively.

And now everybody can purchase this program with favorable price, just follow the steps below and get this tool:

- Click on the “Buy Now” button according to your computer system.
- Fill in the information on the purchase page.
- Check the order for any errors.
- Submit the order.
