

Mojave Organics LLC announces Exclusivity Agreement with Healthy Options Corporation in the Philippines

Victorville, Aug 25, 2020 (Issuewire.com) - [MOJAVE ORGANICS LLC](http://MOJAVE.ORGANICS.LLC) (“**Mojave**” or the “**Company**”), a global health and wellness company, supplying skin wellness and natural & organic food products, is pleased to announce that it has granted a multi-year exclusivity license for its **California Clay™** brand to Healthy Options Corporation (“**Healthy Options**”). [Healthy Options](http://HealthyOptions.com) is the first and largest all-natural and organic products retailer in the Philippines, since 1995, specializing in premium and natural food and health products.

California Clay™ is made from 100% natural and mineral-rich bentonite sourced directly from Mojave Organics' site in the Mojave Desert of California. Heat sterilized to remove any possible impurities, California Clay™ is easily the best and purest Bentonite Skin Product available on the market today.
