

New Collection Constantia Bathroom Vanities

New York City, Aug 21, 2020 (Issuewire.com) - Meet a new [bathroom vanity](#) collection [Constantia](#). The freestanding bathroom vanity Constantia offers a clean sleek structure with abundant storage. The vanity is made of quality solid wood. Colors of the bathroom vanity are empire grey, charcoal, and matte white. The matte white is a very popular color. The Constantia model also supplemented by an Italian Carrara white marble countertop with backsplash. This bright vanity will be a great centerpiece to any bathroom style. The company Constantia took the leading in creating the new reality for the vanity industry by adding soft closing doors and drawers to their whole product line. The top-class soft-closing

hardware not only increases the safety of the vanity but also its lifetime durability. Constantia offers model sizes: [24 inch](#), 30 inch, [36 Inch](#), 48-inch [single vanities](#), and a 60-inch double vanity.

All options are [freestanding](#) units and include drawers and doors complemented by a soft-closing mechanism. The core is made of grade plywood panels, wood frames, and solid rubber. The surface of the vanity comes through the eight-stage finishing and painting processes; each finishing is primed and sealed for superior moisture resistance. The countertop itself is marbled and compatible with single hole faucets. Adding chrome hardware makes this piece of bathroom unit appearance perfect for modern style design.
