

# Provincial Sites Services & iLand Homes Announces Distribution Agreement

Net Zero Homes, Ontario

**Toronto, Aug 2, 2020** ([IssueWire.com](https://www.issuewire.com)) - Steven Gamsby CEO of Provincial Site Services [www.provincialsiteservices.com](https://www.provincialsiteservices.com) recently announced that PSS a General Contracting firm based in Toronto Ontario and iLand Homes out of Montreal Quebec have entered into a distribution and install agreement for Ontario.

Gamsby had noted "entering into an agreement with iLand Homes was a natural fit for the business. With install teams across the Province of Ontario, we feel extremely confident that Provincial Site Services is well equipped and staffed to support the demand and install needs across the province of Ontario."

iLand Homes is a well established designer and manufacturer of Netzero modular homes receiving LEED gold certification and CSA 2017 certification.

Steven Gamsby also noted "the contracting division will undergo extensive training and install training to ensure that the best in class install can be achieved for the homeowner."
