

Rising Detroit Star M City JR creating ripples worldwide with his fantastic rap music!

Detroit, Aug 14, 2020 ([Issuewire.com](https://www.issuewire.com)) - Detroit has been a hub for decades for rap music. The signature recurring beats and rhythmic street vernacular of rap music that has created ripples around the world has a significant tie back in Detroit, Michigan. This place has seen singers like Eminem and Big Sean rising to global fame from here. M City JR is a very popular and upcoming artist from Detroit, Michigan, who is extremely talented too and is looking to follow the steps of the stalwarts in the rap

scene.

M City's rising fame.

M City JR rose to viral fame with the famous song "[Addicted to my Ex](#)" when he was signed to Atlantic Records. This viral song reached several millions of plays on TikTok and has retained the position of being within the top 10 songs for 5 years in a row in the app. There has since been no looking back for M City JR. He has made Detroit proud of his achievements and won hearts around the world.

The purpose of his passion and the journey behind

M City JR started writing rap songs from as early as his elementary school and kept his passion alive. He has always managed to connect with his audience and has kept them on their toes. His exceptional quality comes through the heart-touching and meaningful lyrics in his raps. Besides, he wants people to feel his energy. He wants to convey a myriad of emotions through his rap songs.

He started with a series of singles that helped him gather ground. He hit fame with the viral "Addicted to my Ex." Among his achievements is the famous and much sought-after platinum plaque from YouTube. M City JR has also gone on to become a platinum-selling artist with half a billion streams worldwide. He is a true story of how talent makes its way through when passion is kept alive.

Rising stars like M City JR instills one's faith in talent and passion. The kind of influence they have on their audience is incomparable and magical. Songs help people aspire. They give people a cushion to fall back on tough days and a reason to smile on happy days. Upcoming talented stars like M City JR are able to gauge the raw feelings that people go through in their life and are thus able to connect with them effortlessly. The connection between the singer and the listener is invisible yet loyal and true. Becoming a TikTok star is not very easy with continually increasing competition. The platform has given an equal opportunity for all those who want to showcase their talent. But nothing could stop M City JR from conquering the hearts of millions through his splendidly composed raps. The music is catchy, and the lyrics are appealing. With this winning formula, he is paving his way to glory in the rap music industry.

The much-awaited new release

M City JR is absolutely excited to announce the release of his upcoming single – "Proud of You," and his fans are thrilled even more. He has recently joined forces with the famous international media/entertainment company – "[Royal Heir Entertainment](#)," for the release of his upcoming tracks. These amazing tracks will be distributed exclusively in Asia by the company. M City JR has managed to cross boundaries with his music and is gaining traction worldwide – particularly in Asia. The decision to distribute it in Asia is to delight his ardent fans there, and we are sure they will be excited too.

With his new releases, M City JR is looking to achieve new goals. He says, "My goals have changed throughout my career. Currently my goal is to produce as much art, to influence as many people as I possibly can." People are surely getting influenced and how. He has been able to create a massive and dedicated fan following by creating music that people want to hear. All his fans want him to release more and more tracks. His goals are aligned, too, so the fans are surely in luck!
