

Russian Icon Gallery Helps with Buying and Selling Antique Icons

Russian Icon is pleased to offer icon advisory, appraisal, icon restoration, and other services to help collectors buy and sell antique icons.

New York City, Aug 31, 2020 (IssueWire.com) - The online gallery Russian Icon is pleased to offer icon advisory, appraisal, authentication, collection management, icon restoration, and other services tailored to help collectors buy and sell antique icons of museum quality. We collaborate with the leading specialists and experts in the field of Russian icon art, assisting clients in building long-term collections of religious icons, which are specific to their particular areas of interest, needs, and budget. Russian Icon also helps with the publication and exhibition of icon collections worldwide.

Russian Icon is an online gallery established by the dedicated icon collector and experienced antique dealer Oleg Kushnirskiy with the aim to preserve and popularize the ancient craft of icon painting. The gallery features a unique selection of [antique Russian icons](#) created in the most notable iconographic centers of the Russian Empire. These include works by Palekh, Kholuy, Vetka, and Mstera masters, among others.

Russian Icon also collaborates with the renowned icon museums, such as the Moscow-based Museum of the Russian Icon founded by Mikhail Abramov, on a range of cultural projects. One of them is the creation and publication of the [Russian Icon Book](#) that represents a compilation of all knowledge about antique Russian icons of the 18th-19th centuries, gained through years of study and research.

In addition to collecting, preserving, and displaying religious icon art, Russian Icon provides an array of services to help seasoned collectors and connoisseurs of Orthodox icons buy and sell antique pieces with confidence. We are proud to work with such reputable experts as the art historian and curator Anna Ivannikova, whose contribution to studying old Russian art and Russian iconographers is invaluable, and the famous icon dealer and collector [Sergey Khodorkovskiy](#), who also serves as an expert at the renowned art and antiques fair TEFAF Maastricht. Our collaboration with the leading specialists in their fields allows Russian Icon to offer the highest quality services of icon appraisal, authentication, advisory, icon restoration, and collection management, among others.

Whether it comes to buying or selling antique icons, Russian Icon can make the entire process smooth, secure, and hassle-free. We take care of every stage, from icon evaluation and research to handling all the paperwork. Besides, our partnership with [Fine Art Shippers](#), one of the leading international art logistics companies, guarantees the safe packing, shipping, and delivery of antique icons anywhere in the world. For more information about our services, please visit our website or contact Russian Icon team directly to know how we can help you.
