

Startex Soars With New Website

Startex Industries announces new streamlined website with a streamlined, modern design, improved functionality, and easy access to essential product information.

Glendale Heights, Aug 13, 2020 ([Issuewire.com](https://www.issuewire.com)) - Startex Industries, a leading manufacturer of lighting, seating, LED backlit mirrors, framed mirrors and artwork for the hotel industry in the US and Canada, is proud to announce the launch of its newly redesigned website at <https://startexind.com/>. The new site features a streamlined, modern design, improved functionality, and easy access to essential product information to help hotel owners, designers and property managers make well-informed decisions about their purchasing needs.

The new comprehensive website showcases several new features that were created with the customer in mind. Enhanced imagery, robust product information, inventory status and dynamic downloadable specification sheets are all part of the new design. In addition, the revamped website offers account-level access and the ability to submit automated quote requests; features that will save users time and make it easier to get personalized information. A fresh focus on the company's custom production capabilities rounds out the site offerings.

"We are thrilled to debut our new company website to our customers, partners, and visitors who are looking to understand Startex products and services," said Bob Kapadia, Startex Industries CEO. "This website redesign truly ties together all of our information into one place and allows for each visitor to

have rich experience with access to our robust product information and resources."

The Startex Industries new website will be updated on a regular basis with news of product launches, stock changes, essential industry information, and corporate milestones. Visitors are encouraged to explore the website at <https://www.startexind.com>.
