

The Largest Virtual Oktoberfest in 2020 WebtoberFest 2020 presented by All Tastes German and German Girl in America

Seattle, Aug 18, 2020 ([Issuewire.com](https://www.issuewire.com)) - WebtoberFest brings the unforgettable experience of Oktoberfest to your home! The virtual Oktoberfest celebration will take place from September 5 through October 30 and will not just be the largest online Oktoberfest but also the world's longest!

As most Oktoberfest celebrations this year were canceled due to the current covid-19 pandemic, Angela Schofield and Karen Lodder Carlson decided to come up with an online version to get the party rocking. This virtual event provides a way to support small businesses especially during these trying times of the covid-19 pandemic and serves as a place to stay safe at home and still be able to connect with others and get entertained.

Oktoberfesting from the comfort of your home

At WebtoberFest you will find everything you need to celebrate Oktoberfest at home directly delivered to your doorsteps. The offerings reach from German specialties over exclusive beer and spirits to German decorations, gifts, and costumes.

But WebtoberFest is more than online shopping, the virtual entertainment program includes:

Virtual “Festzelt” with Entertainment Stage: Free live-streamed virtual tastings and happy hours featuring industry's leading brands and experts. Bands and dance groups from all over the world will perform and German Radio will stream live.

“Oma’s Kitchen” with Cooking Shows and Cook-Alongs will show how to cook authentic Oktoberfest food at home. Visitors can watch step-by-step cooking tutorials or participate in live cook-along sessions.

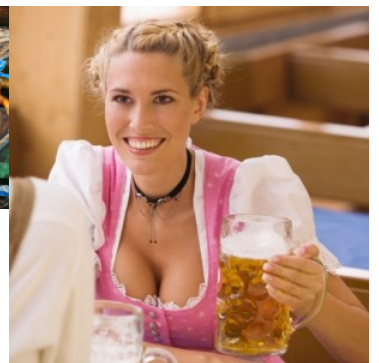

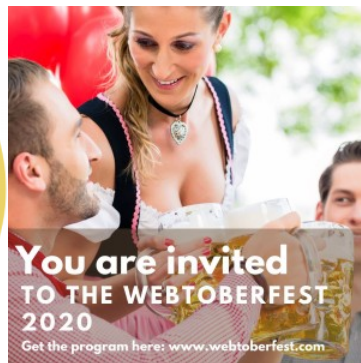

Other Activities that WebtoberFest offers: A sneak peek into the beauty of Germany, the rich culture, and even an introduction to contemporary German authors like Susanne Bacon, known for her

popular Wycliff Novel series.”
