

TheUmutmusic is portraying his versatile qualities under his production company NSE Music

New York City, Aug 2, 2020 ([IssueWire.com](https://www.issuewire.com)) - The versatile music artist, who happens to be a producer, singer, composer, songwriter, and entrepreneur, Umut Gundogdu has been consistently delivering fascinating tracks that have made him stand ahead of the curve. Famously known as TheUmutmusic, the artist is a household name among true music enthusiasts. Born and brought up in Turkey, Umut has always possessed a strong love and affection for this form of art. His passion for music, artistic supremacy, and a strong urge for making a name in the industry helped him earn a place in a local Rap/ R&B group called Barakabeat. The artist performed in numerous live concerts and released many singles while being a part of the group. The experience that he gained while working as a significant member of the group helped him brush up his artistic skills and built the temperament that an artist needs to be successful in the music industry.

In 2011, TheUmutmusic moved to the Netherlands and began working on his music as a solo artist after Barakabeat broke up. Despite facing linguistic difficulties, he kept on working for the betterment of his skills and finally released his first single in 2013, titled 'Umut- One Love'. This track was an instant hit, which inspired him to deliver another fascinating single, 'Umut - Bounce'. While doing all this, Umut also established a small business and performed as a DJ at various clubs and events. His work and the immense love that he received from the audiences helped him own a bar, 'Wave Bar'.

With Spotify tracks like 'Umut – Hope', 'Umut – Desire', 'Umut – With You', and 'Umut – Call My Name', TheUmutmusic has earned a huge name for himself in this musical arena. In 2019, the artist moved to New York City and began to learn the methods of advanced filmmaking at Digital Film Academy in Manhattan. Soon he launched an independent music label and video production company - NSE (Natural Sound Effects). With each new release, the artist has multiplied his fan count and is now aiming at Grammy as well as making NSE Music a globally recognized company.
