

Venturi Protégé, LPGA Competitor and Teacher Joins SportsEdTV Contributors

Recovering from severe auto crash, Shannon Kneisler became renowned golf coach

Miami, Sep 1, 2020 ([Issuewire.com](https://www.issuewire.com)) - [SportsEdTV](#) has welcomed Shannon Kneisler to its complement of senior contributors. Having known body pain so well, her studies of fundamentals

concentrate on working with rather than against physical limitations.

“Shannon says she enjoys most helping 55+ golfers find their ‘mature swing’ and new golfers to find their unique anatomy swings,” SportsEdTV Founder and Chairman Robert Mazzucchelli recalled.

She has taught over a thousand golfers, traveled to 80+ countries and shares a common goal to have fun and play without pain. She was unable to compete after a near-death accident but found her teaching passion after being mentored by Hall of Famer Ken Venturi and being trained by sports psychiatry doctors.

[SportsEdTV](#) CEO Victor Bergonzoli said, “Shannon’s contributions will be a welcome addition to both ends of our audiences since she’s so good with beginners and those of who’ve been around for a while.” “The athletes and their parents who comprise our growing viewers of [SportsEdTV’s](#) FREE, unlimited online instruction will both enjoy her contributions,” he added.

Shannon has appeared on Golf Channel, Fox Sports, contributed to golf magazines and been a golf instructor for 15 years with Crystal Cruises. As a 14-year-old she won her first junior tournament weeks after holding a golf club for the first time.

About [SportsEdTV](#): [SportsEdTV](#) exists to help athletes, coaches and parents LEARN, WIN and CELEBRATE. We don’t expect everyone who uses our learning tools to become a world champion - that’s not our mission.

We do expect people who use our educational resources to become their own champion, by whatever definition they view success in their chosen sport. For some, success is making the varsity team, for others, it’s becoming country champion, and for others still, it may simply be gaining proficiency at a sport that offers a lifetime of fun and fitness.

To us, no matter your aspirations in sport, if you are striving to improve, you are winning! As a leading sports education media company, we provide FREE video and blog content to anyone in the world with an internet connection.

We also offer a global online community, where athletes, parents and coaches can interact, connect, chat, share content and find new friends. [SportsEdTV](#) videos feature coaching from world-class coaches and athletes - many of whom are or have coached world-champions - and have been watched by viewers in every country in the world.
