

Wael Zeitouni, DDS, FICOI, a Dentist with Locust Family Dentistry

Get to know Dentist Dr. Wael Zeitouni, who serves patients in Locust, North Carolina.

New York City, Aug 5, 2020 ([Issuewire.com](https://www.issuewire.com)) - Dr. Zeitouni provides compassionate, quality, and personalized dental care to patients at Locust Family Dentistry in North Carolina. As both owner and provider, he is dedicated to providing the highest quality of general and esthetic dentistry while promoting and preserving the most optimum oral hygiene. Likewise, he is very passionate about keeping his team and himself up to date on advanced dental technology and continuing education.

Treating the whole family in a comforting, safe, and friendly environment, Dr. Zeitouni's philosophy is to build a foundation of trust by treating each patient as a special individual. He understands how uneasy some patients may feel about their dental visits. For this reason, he and his staff strive to make the difference by providing a relaxing and pain-free dental experience.

Among his professional affiliations, he is a member of the American Dental Association, the Academy of General Dentistry, the North Carolina Dental Society, Dentaltown, the Las Vegas Institute for Advanced Dental Studies, and Triangle Dental Institute. He is also a Fellow of the International Congress of Oral Implantologists (FICOI).

Growing up in Charlotte, North Carolina, Dr. Zeitouni graduated from South Mecklenburg High School. He then attended the University of North Carolina at Chapel Hill, graduating with a bachelor's degree in biology in 2009. He continued his dental education at New York University College of Dentistry where he acquired his Doctor of Dental Surgery (DDS) degree. He then returned to his home state for a General Practice Residency at Carolinas Medical Center, after which he worked in Charlotte as an associate for a few years before opening his private practice.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

Pertaining to his philanthropic endeavours, Dr. Zeitouni has volunteered in many community dental outreach projects, including the North Carolina Missions of Mercy program, providing dental care to people in need around the state. He is also a proud member of the Rotary Club of West Stanly.

A proud resident of the Locust, North Carolina community, he enjoys playing sports, traveling, reading, and spending quality time with family and friends when he is not practicing dentistry.
