

Wateriia Water Delivery App launches in Bengaluru!

From small to large bottle cartons, to large gallons, Wateriia has quickly become a sensible solution for people who can't or simply don't want to carry heavy cartons of water from the supermarket to their homes.

Bengaluru, Aug 9, 2020 ([Issuewire.com](https://www.issuewire.com)) - **Wateriia Water delivery app** has launched in metropolitan city bengaluru, with perfect timing during the covid19 pandemic, created and developed by bengaluru, Wateriia's expansion strategy rightly focuses on the tech-savvy, forward-thinking and cosmopolitan population of bengaluru they also call themselves the **#THIRSTSAVIORS**.

Witnessing record-breaking sales within the first six month (provide sales volume in INR), Wateriia has made life easier for people by offering a wide variety of drinking water, conveniently delivered to their doorstep. Through the Wateriia app, customers can compare brands and prices, and schedule and standardize their orders from the comfort of their home.

From small to large bottle cartons, to large gallons, Wateriia has quickly become a sensible solution for people who can't or simply don't want to carry heavy cartons of water from the supermarket to their homes.

Especially advantageous for single women, senior citizens, the disabled and people from large households, Wateriia offers much-needed assistance. Meanwhile, **“with the current COVID-19 spread, and the necessity to reduce exposure, practice quarantine, and stay safe, the Wateriia app is the absolute solution in these dire times, especially with the onset of our coming rainy seasons as we know how much its difficult to carry those heavy bottles or go out in rain when people run out of drinking water”**, says Marwan Albanna– co-founder and CEO, Wateriia & Habeeb ulla Khan CFO, Wateriia..

Quickly becoming a rising star among investors and consumers alike, the Wateriia app allows customers to subscribe for daily, weekly or monthly deliveries to homes and offices while enjoying the simplicity of cashless, contact less-delivery payments like phonepe, paytm, razorpay payments solutions directly on the app itself.

The Wateriia app is available on both Android and iOS - to download the app or simply read more please visit www.wateriia.com reach the wateriia team at info@wateriia.com

The advertisement banner for the Wateriia Water Delivery App is divided into three main sections. The left section features a blue water bottle with a globe logo and the text 'FREE DELIVERY AT YOUR DOORSTEP' and '20L DRINKING WATER BUBBLE'. The middle section shows another water bottle with the text 'Life's too short to have regrets' and 'DRINK HEALTHY WATER'. The right section features a water bottle with a speech bubble saying 'Drink Water That Matters' and '100% Pure Processed Reliable Verified Certified Brands'. Below these sections are three 'Subscribe' buttons with the text 'Daily/Alternative Day/Weekly' and 'www.wateriia.com'. At the bottom, there are three 'DOWNLOAD WATERIIA WATER DELIVERY APP' buttons. On the far right, there is a hand-drawn style illustration of a water bottle with the text 'BE THE CHANGE PURE WATER IS NATURAL NEED OF LIFE' and 'WWW.WATERIIA.COM'.
