

Aderemi Jaiyeola, MD, a Gastroenterologist with DeTar Medical Group - Gastroenterology & Hepatology

Get to know Gastroenterologist Dr. Aderemi Jaiyeola, who serves patients in Victoria, Texas.

New York City, Sep 23, 2020 ([IssueWire.com](https://www.issuewire.com)) - As a practicing gastroenterologist, Dr. Jaiyeola treats conditions that affect the digestive system, such as constipation or inflammatory bowel disease. She works at DeTar Medical Group - Gastroenterology & Hepatology in Victoria, Texas.

DeTar Medical Group makes finding a primary care physician easy. Its practices include several groups of dedicated providers, including family practice, internal medicine, and pediatric physicians, and is complemented by a team of advanced practice nurses. The providers are committed to excellence in every aspect of their practices, from prevention to diagnosis and treatment. This level of quality and concern is made possible through their philosophy of quality, individualized and personal care.

Throughout her academic career, Dr. Jaiyeola graduated with her medical degree from the University of Ibadan College of Medicine in Oyo State, Nigeria. Upon relocating to the United States, she went on to perform her internship in internal medicine, her residency in internal medicine, and her fellowship in gastroenterology and hepatology at the University of Kentucky College of Medicine in Lexington.

A Distinguished Fellow of the Academy of Specialists in Gastroenterology, Dr. Jaiyeola is a member of the American College of Gastroenterology, the American Society of Gastrointestinal Endoscopy, and the American Gastroenterological Association.

In addition, she is a Diplomat of the American Board of Hospital Medicine, which was founded to provide physicians who have made a career working in hospitals the opportunity to demonstrate their mastery of the core competencies required to render the best treatment possible.

Gastroenterology is the branch of medicine focused on the digestive system and its disorders. A gastroenterologist is a physician who has extensive training in the diagnosis and treatment of disorders related to the esophagus, stomach, small intestines, colon, liver, pancreas, and biliary system.
