

American Bean Coffee Announces Indoor Dining at Limited Capacity

Stirling Cuthbert

Warren, Sep 3, 2020 ([IssueWire.com](https://www.IssueWire.com)) - American Bean Coffee Announces Indoor Dining at Limited Capacity

American Bean Coffee, located at 60 Stirling Road on the Watchung Circle, is excited to announce its reopening their indoor dining at 25% capacity, as per the request of New Jersey Governor, Phil Murphy.

In conjunction with the recommended guidelines, we will be limiting guests to parties of four. We are operating on a first-come, first-served basis. There are three designated work stations equipped with free WIFI. All customers utilizing indoor dining must wear a mask or facial cover while not seated.

American Bean Coffee's priority is maintaining the safety of our employees and customers, so all prior mandates of social distancing will still be enforced. All surfaces, doorknobs, and bathrooms will frequently be sanitized by employees. The limited outdoor setting will still be available. Additionally, Grubhub and DoorDash will continue to be offered as take-out options.

Co-Manager Samantha Quarantiello said "As the floor supervisor of American Bean Coffee, I am excited to safely welcome our loyal patrons to enjoy our space again. Our dedicated team is taking all necessary precautions to ensure the well-being of our supportive community."
