The recipient of Pennsylvania Magazine's Top Doctors Award for 2019, Dr. Walker is a member of the Pennsylvania Medical Society, the American Academy of Family Physicians, and the American Medical Association.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

Outside of practicing medicine, Dr. Walker's hobbies include running and playing the violin; she played the violin professionally for 5 years.
