Arabian Horizon is one of the leading immigration consultants for Europe and the UK, dedicated to helping individuals and companies achieve their immigration dream.

AH recently announced to be providing free assessment for clients wishing to travel to Portugal, Poland, Spain, Austria, and the United Kingdom so that they can start the immigration process as soon as possible.

At the moment, every person is affected by Covid-19 and hence cannot do much. Most countries, especially in Europe are yet to open their borders. For this reason, Arabian Horizon decided to help clients complete the initial processes before the borders are officially opened.

Clients can now contact the immigration consultant for services related to a citizenship application, business setup, resettlement, investor programs, and work permits.
