

Braziliada: A mystery in Brazilian setting is released by Wicked West Publishing

SHERIDAN WEST

BRAZILIADA

Get out of a rut
to find answers

Vancouver, Sep 6, 2020 ([IssueWire.com](https://www.IssueWire.com)) - Wicked West Publishing is a new player in the field of fiction publishing with the mission of enhancing the diversity of cultures and voices represented in fiction and offering readers a positive and unbiased vision of countries and communities all over the world.

The publisher's first release, *Braziliada* by Sheridan West, takes the readers to a journey to modern-day Brazil, allowing them to feel the spirit and atmosphere of this huge tropical country with its mixture of cultures and races is full of opportunities for those who create, invent, and work hard, but also for those who think they are above law and take advantage of weak and corrupt institutions. In the centre of the narrative is an eighteen years old Brazilian girl who gets in the crossfire of rival factions of business owners and wheeler-dealers. She has to find inner strength and courage to take the challenge and make serious choices for the first time in her life.

This novel highlights the problems of women abuse and toxic masculinity is still predominantly patriarchal Brazilian society while depicting bright and strong female characters standing at the forefront of their communities.

"In order to solve the mystery of who is threatening her family, Amelia del Atore must abandon them and go on a classical journey of discovery. On her own for the first time in the real world, the young woman finds the wisdom she requires. But will she have enough time to do what needs to be done? *Braziliada*, by Sheridan West, is an enjoyable tale of bold individuality and dedication to heritage." -Kelly R., Line Editor, Red Adept Editing

"A suspenseful mystery with plenty of intense character interaction and some genuine surprises, *Braziliada* is a thrilling read. Its inextricable connection to its Brazilian locale is a major plus for readers who like distinctive settings in their fiction." -Virge B., Proofreader, Red Adept Editing

Braziliada is available on Amazon in the digital and paperback edition. [link](#)
