Get to know Chiropractor Dr. Brian R. Fisk, who serves patients in Hastings, Nebraska.

New York City, Sep 3, 2020 ([IssueWire.com](https://www.IssueWire.com)) - Dr. Fisk is a qualified chiropractor serving as the owner and operator of Fisk Chiropractic & Sports Care in Hastings, Nebraska. Recognizing that continued care is a crucial part of the recovery process, he takes the time to understand the root of the problem in order to provide the best and most effective treatment.

“Our goal at Fisk Chiropractic & Sports Care is to restore your mobility, keep you moving, and ensure your rehabilitation is effective, efficient, and stress-free. Since our specialized Chiropractic Clinic was established in Hastings back in 2019, we have offered the highest standards of treatment and patient care” as stated on the practice’s website.

Striving to achieve functional goals, Dr. Fisk is experienced in treating neck and back pain; sports and accident-related injuries; and neurological conditions. Treatment and therapy forms an integral part of his approach to treating the whole body, which is fundamental to ensuring patients’ long-term health and wellness.

A member of the Nebraska Chiropractic Physicians Association and the American Chiropractic Association, Dr. Fisk earned his Doctor of Chiropractic (DC) degree from Logan College of Chiropractic in 2017. Since then, he has been creating individualized treatment plans and using the most current and up-to-date methods for patient treatment.

Chiropractic is a form of alternative medicine that mainly deals with the diagnosis and treatment of mechanical disorders of the musculoskeletal system, especially the spine. A chiropractor uses spinal adjustments, manipulation, and other techniques to manage patients’ health concerns, including neck pain and back pain. They aim to improve patients’ functionality and quality of life by properly aligning the body’s musculoskeletal structure and enabling the body to heal itself without the use of medication or surgery.
