

Brittany Leigh Rocco, MSN, AGNP, an Adult-Gerontology Nurse Practitioner with Zwanger-Pesiri Radiology

Get to know Adult-Gerontology Nurse Practitioner, Brittany Leigh Rocco, who serves patients in Coram, New York.

New York City, Sep 15, 2020 ([Issuewire.com](https://www.issuewire.com)) - Brittany is an adult-gerontology nurse practitioner who works at Zwanger-Pesiri Radiology at the office in Coram, New York.

Zwanger-Pesiri Radiology has been setting the standard in patient care in New York for over 65 years, combining the latest in medical imaging, specialized radiologists, and a patient-centric experience. With over 23 locations in Nassau and Suffolk counties and now Queens, each provides a range of radiological specialties, including musculoskeletal imaging, neurology, oncology, vascular imaging, and more. The practice strives to provide the most advanced technology available today, with a strong focus on delivering a quality of care unmatched in the industry.

Following the completion of her Master of Science in Nursing (MSN) degree from Adelphi University, Brittany went on to embark on her professional journey.

In order to stay up to date in her field, she remains a member of several professional organizations, including the American Nurses Credentialing Center, the Nurse Practitioner Association New York State, and the American Association of Nurse Practitioners.

Gerontology is the study of the social, cultural, psychological, cognitive, and biological aspects of aging. An Adult-Gerontology Nurse Practitioner (AGNP) is a nurse practitioner who specializes in continuing and comprehensive healthcare for adults across the lifespan from adolescence to older ageing adults.
