

Design and more - Adnan Rassiwala

Delhi, Sep 16, 2020 ([Issuewire.com](https://www.issuewire.com)) - **“DESIGN IS NOT JUST WHAT IT LOOKS LIKE AND FEELS LIKE, DESIGN IS HOW IT WORKS.”**

-Steve Jobs

This is the quote by which Adnan Rassiwala, lives and works by. Instead of keeping his head in the clouds and conjuring of fancy impractical designs, Adnan prefers keeping his feet firmly planted to the ground, and believes in providing design solutions that are not just aesthetically pleasing to the eye, but supremely practical and long lasting. Giving the client a value for their hard-earned money.

Though there is no dearth of Interior Designers, Adnan stands out for his work and is vouched for by his clients, as he does not simply design for his clients but he designs a solution to the client's needs.

PERSONAL PROFILE

Being the creative mind and driving force behind not one two firms, Studio A and Creative One, handling various aspects of design and built, being a professional Interior Designer, he comes armed with a professional experience of 2 decades behind him in the both design and execution. He brings a balance of aesthetic expectations and practical necessities of any design site to make it a business reality. Adnan makes sure that once the client comes to him, he does not have to look anywhere else for any of his design or built requirements. He is the go-to person when builders want to create an impact with their entrance lobby and show flat.

Between the 2 firms he has handled projects pan India and also done design work in other countries like Indonesia and Dubai. He has been a name trusted by brand like Motorola, Time zone and Sony. His range of projects include, residential, commercial, cinema, entertainment and places.
