Mumbai, Sep 8, 2020 (Issuewire.com) - Ekta Parksville Luxurious Apartments In Prime Location For Mumbaites - The promise of home amid all the bustle of India's financial capital is unheard of luxury until now. Virar is one of Mumbai's fastest-growing suburbs and [Ekta Parksville](#) is a luxury high rise in Virar. For those who look beyond mere existentialism, there are the heavens and Parksville. This new project caters to those who value luxury - comfort in all forms in the apartment.

Well-Linked Locality

Well-connected to all the important social facilities like schools, colleges, hospitals, malls, and gardens, the locality is tranquil because of its serene surroundings. The 15-story housing complex nestles within a cocoon of happiness designed by the top people in the building industry. Upcoming ring roads, rail routes, and the elevated rail corridor between Bandra and Virar make it possible to commute to any part

of the city with ease.

Elaborately Designed Interior

Inside the apartment, you have a shipload of amenities made from the choicest material. Granite kitchen counters, walk-in closets, tiled bathrooms, and scratch-proof tiles in the living room and bedroom combine to make the interiors stand out in its beauty. Concealed lighting and switches add to the glamor of the place. Space is ergonomically managed to maximize its use while keeping the work flowing.

Good Facilities for Recreation

The exterior of the [Ekta Parksville](#) is equally exquisite. There is a swimming pool along with a jogging track for those who like to laze in the water and like to run. There is a multipurpose court for playing games like tennis, basketball, and shuttle badminton. Oh, do you wish to pump weights? You have the open gymnasium ready and waiting. Or, perhaps you simply wish to walk around? There is the open lawn for that, it relaxes the mind. There is a lot of landscaping with tree planting schemes also. You can take part in and contribute your bit to the community.

Playing Area for the Children

And, what is a housing complex without children? A secluded region of this complex is for children alone. Here they can revel in the many activities planned for them. The children's play area is a haven of opportunities for the tiny tots. There are stormwater drains and fire protection and safety equipment. This helps in regulating and safeguarding the surroundings as needed.

Caring for the Environment

We also do the treatment and disposal of sewage and sullage water. Solid waste management helps in contributing to the conservation of the environment. Adding to the beauty of the exterior is the well-tended shrub bed. And, for those who wish to indulge in mental gymnastics, there is the open-air chessboard.

There are dreams waiting for you at this lovely paradise. You can drop in and take a look or visit our online website. If there is anything missing, it is not at Parksville.
