

## Howard Wilner of Sudbury Strongly Believes in The Cause of Furthering Research Towards Cancer

This press release is written to inform the readers that Howard Wilner strongly believes in the cause of furthering research towards cancer.

**Framingham, Sep 18, 2020 ([Issuewire.com](http://Issuewire.com))** - **Howard Wilner** of **Sudbury** is among one of the finest automotive industry professionals who have completely dedicated themselves to community welfare. One of the causes that Howard feels strongly about is the mission of eliminating cancer and he has played a major role in taking it forward. He started off by sponsoring the American Cancer Society's annual fundraising and relay event called Relay for Life in Marlborough, Massachusetts in the year 2019 along with his company Automax Preowned. For those who aren't aware, the event aims at raising money for the American Cancer Society and its mission to help further research for cancer and eliminate cancer.

**Howard Wilner** of **Sudbury** further highlights that the funds raised through these events are also sent towards many other aspects such as groundbreaking patient care programs. It must be brought to your notice that Howard and his company Automax Preowned had also contributed towards making shelters for those affected by the Australian Bushfires earlier this year.

### **About Howard Wilner**

The President of Automax Preowned and Mina Property Group, Howard Wilner is an experienced business development professional. Having received his education from the Massachusetts Bay Community College and the Boston College, Howard has been active in the automotive industry for a long time now. He has a strong command in automobile site acquisitions, automobile inventory management, negotiation, coaching, sales, and automotive repair.

Howard has also been a part of several organizations including the Charter Oak Country Club, Boston College Club, NHREIA, New England Society and Automotive News Professional Community. He also volunteered with Rotary International for three years.
