

Kingdom of Pictland Open for Business

Pictland welcomes home Pictish business owners. Setting up shop has been streamlined to establish international trade agreements.

Charlottesville, Sep 11, 2020 ([Issuewire.com](https://www.issuewire.com)) - Starting up a new business in the Kingdom of Pictland has now been made easy. New businesses are being established in Agriculture, Apparel, Construction, Defense Technologies, Energy Solutions, Healthcare Technology, Defense Technologies, Manufacturing, and Aerospace Quantum Metamaterial Development.

As a friendly and neutral nation, Pictland has reopened its doors for international trade.

Odal rights and business licenses can be provided to those wishing to relocate to the Kingdom of Pictland, a Sovereign nation located near the southeast of Alaska and the western coast of British Columbia Canada.

Pictland's 2.2 million citizens are now welcome home to live while keeping the King's Peace. Please contact Pictland LLC for further details.
