

Kyla White, LPN, Licensed Practical Nurse

Get to know Licensed Practical Nurse, Kyla White, who serves patients in Central Islip, New York.

New York City, Sep 1, 2020 ([Issuewire.com](https://www.issuewire.com)) - Specializing in geriatrics, Kyla is a licensed practical

nurse who serves patients in Central Islip, New York. She is directly involved in providing basic patient care and ensuring that patients are comfortable and well cared for.

The role of a licensed practical nurse involves observing, assessing, monitoring, and documenting patient symptoms, reactions, and progress; administering medications; performing medical procedures; educating and informing about nutrition and selfcare; managing patient medication and disease prevention; and promoting health to patients, families, and caregivers.

Before embarking on her professional journey, Kyla earned her nursing degree from Eastern Suffolk BOCES in New York in 2017.

A licensed practical nurse (LPN), in much of the United States and Canada, is a nurse who cares for people who are sick, injured, convalescent, or disabled. In the United States, LPNs work under the direction of physicians, mid-level practitioners, and registered nurses.
