Prorganiq has made it extremely easy and simple to use 24-in-1 Mega Superfoods.

Chennai, Sep 1, 2020 ([Issuewire.com](https://www.issuewire.com)) - [Prorganiq](#), a leading provider of natural and organic supplements, has announced the launch of its new, innovative health product '**24-in-1 Mega Superfoods**'. The new product packs a powerful formula of 24 different essential greens, veggies, fruits, and herbs into a single capsule and delivers an improvement in its user's general health and well-being. Filled with amino acids, vitamins, and minerals, 24-in-1 Mega Superfoods is 100% plant-based and offers a gluten-free, GMO-free dietary supplement that is aimed at helping people live a healthier lifestyle.

The ease of having 24 superfoods packed into a single capsule allows its users to receive essential nutrients while eliminating the bad taste and odor associated with some superfoods without compromising quality. Users of the product are able to energize themselves in seconds and reap the benefits of rich antioxidants, detoxification, boosted immunity, all-day energy, stress relief, and complete nutrition. To top this off, the powerful superfood formula also has anti-inflammatory properties.

24-in-1 Mega Superfoods is comprised of a rich palette of powerful superfoods including greens, veggies, fruits, and herbs. The antioxidant properties of wheatgrass rejuvenate the body while ginger improves digestion. Turmeric offers natural blood purification and fights inflammation while acai berry improves brain function and eliminates toxins. These are just a few of the vital superfoods that are in 24-in-1 Mega Superfoods which contribute to its user's daily dose of energy and good health.

Prorganiq has made it extremely easy and simple to use 24-in-1 Mega Superfoods. Users are recommended to start with two capsules a day, which is taken in the morning on an empty stomach and with a glass of water. These simple steps provide an easy way to ensure users are receiving essential nutrients and starting their day with a supplement that will provide them long-lasting energy.

Prorganiq's Director **Surya Kumar** had this to say about the product launch: "We take pride in being able to bring an innovative product to the natural foods market that helps our customers live healthier lifestyles. Our focus has always been to help provide our customers with a safe, reliable, and powerful product line that enhances their health, and 24-in-1 Mega Superfoods is the perfect addition to that product line. Our customers consider us to be the gold standard of nutrition supplements and we're happy to maintain and even exceed that standard."

To complement the exciting new product launch, users are also encouraged to take the 24-in-1 Mega Superfoods 30-day challenge. Take 24-in-1 Mega Superfoods every day for 30 days and you will feel more energized, mentally alert, happier, peaceful, and healthier in thirty days! 24-in-1 Mega Superfoods contains no steroids, harmful chemicals, or artificial sweeteners and flavors, making the product a 100% natural and safe way to get essential nutrients.
