

Maendel Wealth adds Four New Offices in Greater Detroit area to serve growing client base

Michigan, Sep 15, 2020 (Issuewire.com) - **Maendel Wealth**, a leading provider of Investment and Advisory Services, announced that they are adding four new meeting offices in the Greater Detroit area to serve the needs of clients of a wider region. Now clients of Bloomfield Hills, Livonia, Novi, Troy, and Southfield can gain convenient access to the wealth management services offered by professional Detroit wealth managers. President and Financial Advisor, James Maendel, believes that the new offices will help immensely in extending their arms towards a greater community.

The expanded capabilities are made possible through an arrangement with AmeriCenters Executive Office Network which provides conference rooms, private meetings rooms, client hospitality and communications technology in each of the five locations.

Maendel Wealth management services include holistic, personalised financial planning, comprehensive fee-based investment management on equities, exchange traded funds, fixed income, mutual fund, real

estate investment trusts, and much more. Apart from these, **Maendel Wealth** also offers investor services as well as a wide range of life, health, income and long term care insurance options. Jim Maendel says, 'We have a passion for the markets, and for helping people understand them and benefit from them. We believe we can help you not only to survive but to thrive in this global economic storm, as we have done for many clients just like you over the past 19 years.'
