Dr. Kiran's Homeopathy About - Chairman & MD

Hyderabad, Sep 4, 2020 ([Issuewire.com](https://www.issuewire.com)) - [Dr. Kiran Kumar](#), Chairman and Managing Director of [Dr. Kiran's Homeo Life](#) (Formerly Positive Life Sciences Pvt Ltd), is an integrative medicine practitioner for the past two decades. He embarked on the journey of constitutional therapy to contribute to society's healthy living. Dr. Kiran Kumar completed his BHMS (Bachelor in Homeopathic Medicine and Surgery)

in 1996 (Reg. No. 788) from Gulbarga University. With the guidance of his guru, Dr. Sreekar Manu, Dr. Kiran Kumar progressively administered the concepts of Homeopathy and personalised the treatment for every patient, which brought convenience and results in a short duration.

[Dr. Kiran Kumar's](#) approach toward treating the patients is unique that developed in the term called 'pathological prescription.' This process involves the patient's medical diagnosis without much investment of time and giving the apt prescription and healing in no time. His strong credence in Homeopathy, empathy toward patients, and meticulously prescribing the right medication and treatment gave him success and made him a pioneer in Homeopathy.

Not only [Dr. Kiran Kumar](#) but his top-notch team of Homeopathy doctors follow the process of individualised preparation of homeopathic remedies. During the patient engagement, Dr. Kiran Kumar and his team ensure to empathise with the patient's situation, recognise the imbalance/medical requirement, and heal from the root to tips. A complete treatment is given to the patient with the best results in the shortest possible time.

Dr. Kiran Kumar religiously follows and leads by example to his team to administer the Genetic Constitutional Homeopathy and treat each patient with empathy and care. He also ensures that patient engagement should be foremost for any treatment. Through his practice, he made sure that the health services are accessible and affordable by the entire society (especially the economically backward).

[Dr. Kiran Kumar](#) understands the paradigm shift in the medical needs and approach in our country and firmly believes that Homeopathy is the future of medicine and health care.

Corporate Social Responsibility Activities:

- [Dr. Kiran Kumar \(Chairman and MD\)](#) is the first Homeopathic doctor who offered 100% free treatment for Below Poverty Line people. And this treatment was carried on across all branches.
- [Dr. Kiran's Homeo Life](#) is the first to come up with immunity clinics in the Homeopathy domain to fight against seasonal diseases. The clinics provide medical help to build strong immunity against seasonal viruses and bacteria.
- [As part of monthly activity](#), we conduct medical camps in rural areas and economically backward places to ensure that the medical help and treatments are accessible.
- [Ensured to bring in healthier environments](#) with unique homeopathic prescriptions
