

Mobile Sports Game Boxing Star Announced Specter MegaPunch Gloves Update

Seoul, Sep 3, 2020 (Issuewire.com) - Publisher and mobile game developer FourThirtyThree Inc. (4:33) today introduced new MegaPunch Gloves.

The update introduces two Specter MegaPunch Gloves. As the names suggest, “Beast Rampage” unleashes a powerful fury as its skill and “Angel of Death” uses random punch skills to confuse the opponent. The Gloves can be either purchased in the game store Catalog or awarded by opening a Victory Package.

Alongside this new feature, *Boxing Star*’s “Emma’s Auto Shop Event” was announced today, with heaps of in-game reward items. Players completing the four daily in-game missions will be rewarded with a stamp, which can be exchanged for in-game items. “Emma’s Auto Shop Event” begins on the 24th of September.

To kick off September with a bang, *Boxing Star*’s MegaPunch Event Matches will be held until the 8th of September. On completing the in-game missions, players will be awarded a limited profile image and Gym Points.

Developed by 4:33, *Boxing Star* features an immersive story and interactive gameplay in which players fight through multiple tournaments. *Boxing Star* has proven to be a popular title in the two years that it has been available. It has racked up over 30 million downloads on Google Play.
