Attracts huge magazine ELLE

**Mesa, Sep 19, 2020 ([Issuewire.com](http://Issuewire.com))** - New salon Bringing Spark in the Heart of Mesa, Arizona

Chi Town Finest Hair Studio swings with excitement at the launch of their new hair salon and barbershop in the city of Mesa. Having a historical background and uplifting appeal to celebrities such as Ernie Hudson from the original movie Ghostbusters and catching the eye of the huge magazine ELLE.

Hairstylist Chilita Perkins, owner of the franchise quoted: “We are happy to hear such exciting news about our business and how it has had a major impact in each and every community we put our business in. Having over 20 years in the industry we have conducted hair shows and met an outstanding amount of extraordinary people and will continue to do so through our passion and love for hair”!

Chi Town Finest Hair Studio located at 3929 E Main St. Suite 18 Mesa, Arizona 85205 has announced its new opening and invites everyone to check them out. Offering a \$10 off promotion to new clients. Their outstanding amount of specialties they have are remarkable from doing sew-ins, hair color, extensions, men weave to crispy fades, and five stars like hairstyles that we have seen so far as the best in the state of Arizona. As a traveling journalist and after reviewing over 4000+ hair salons around the United States I have to say that this one hits the #1 on the list.
