Guinness World Records holder

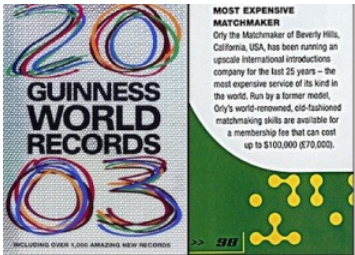

Beverly Hills, Sep 15, 2020 ([Issuewire.com](https://www.issuewire.com)) - [Only the Matchmaker](#) encourages singles to invest in themselves and build long-term relationships with elite individuals who are well worth it.

In 2003, Only The Matchmaker appeared in the Guinness Book of World Records as [the most expensive matchmaker in the world](#). She wears that title as a badge of honor. She sets high prices because she has a lot of value to offer clients who want to take their love lives to the next level.

Orly is a high-end matchmaker who introduces doctors, lawyers, bankers, athletes, actors, and other professionals from around the world to each other. She comes from a family of matchmakers — her parents and her grandparents worked in the dating industry — and she takes her responsibility to her clients very seriously.

“If I decide to take you on as a client, there is no way I will not find what you are looking for,” Orly said in an interview. “I only introduce soul mates to one another. I am not a dating service, not computer matching. I am a high-end marriage broker.”
