Dubai, Oct 18, 2020 (Issuewire.com) - Passionpreneur Publishing has announced the release of Generation Grit: The Path to Building Careers on Connectivity, Not Contracts by Ida Banek via the publishing industry's largest global book distribution networks. The book is anticipated to have an inspiring and profound effect on its target audience.

In this must-read book, Ida Banek shares invaluable insights, tools, and techniques how to drive a career into the future. Greater longevity and ongoing technological advancements will build a world where lives are governed by algorithms, and careers are turned into ultramarathons. Increased insights into human behavior will help us all to become better entrepreneurs, partners, team members, and leaders. In this book, the author talks about the future of work where a new generation of professionals will not share a similar age group, but will have the mindset and skills to collaborate with both human and artificial workforce.

About the Author:

Ida is a business leader with progressive experience in various roles, industries, and geographies. Driven by her background in psychology and behavioural science, throughout her career, she focused on delivering efficient, solution-oriented human capital support to dynamic and fast-moving businesses.

Passionate about the advanced technologies and their impact on the future of work, Ida seeks opportunities to enable the incoming workforce to thrive in their careers and to help businesses grow sustainably, deliver results consistently, and build global teams successfully.
