New York City, Sep 8, 2020 ([IssueWire.com](https://www.issuewire.com)) - Dr. Philip G. Labas is a chiropractor currently practicing in his private practice. He graduated with his chiropractor degree in 1994. He is licensed to practice by the state board in Pennsylvania.

Chiropractic medicine is a healthcare profession that focuses on the relationship between the body's structure—mainly the spine—and its functioning. Although practitioners may use a variety of treatment approaches, they primarily perform adjustments (manipulations) to the spine or other parts of the body with the goal of correcting alignment problems, alleviating pain, improving function, and supporting the body's natural ability to heal itself.
