

Protein Pancake Mix Made with Canadian Egg White Protein

Toronto, Sep 10, 2020 ([Issuewire.com](https://www.issuewire.com)) - Just add water/ milk or any type of similar beverage to Caneggs Protein Pancake Mix for a quick, easy and nutritious high-protein breakfast featuring Canadian egg whites. Unlike most protein pancake mixes are made with whey protein only, Caneggs low-sugar, high-fiber pancake mix is made with a blend of egg white powder and Whey Protein, Oat flour (no wheat flour)

“Egg white powder is an excellent source of pure protein that has all the major amino acids. Just one protein pancake made with Canegg’s Protein Pancake Mix has more than 26 grams of protein to start your day,” says Sam Dhutia, CEO

Caneggs [Protein Pancake Mix](https://caneggs.com/protein-pancake-mix) (<https://caneggs.com/protein-pancake-mix>) retails at [Caneggs.com](https://caneggs.com) (<https://caneggs.com/caneggs-egg-white-powder>) for \$23.98 for two 454 g bags (available online only). One serving includes 26 grams of protein, 2 grams of sugar, 8 grams of fiber, 7 grams of fat only 110 calories

Caneggs also retails [pure egg white powder](https://caneggs.com/caneggs-egg-white-powder) (<https://caneggs.com/caneggs-egg-white-powder>) an alternative to traditional protein powders that can be used in smoothies, baking, and beauty treatments. Visit Caneggs.com for recipes (<https://caneggs.com/recipes>) Including protein shakes, meringue, royal icing and beauty/hair care recipes. Caneggs Egg White Powder retails at Caneggs.com for \$99.99 including shipping and taxes.
