

Remote Marketr Launches A New Online Platform For Remote Digital Marketers

Berlin, Sep 4, 2020 ([IssueWire.com](https://www.issuewire.com)) - Remote Marketer today announced the launch of its new book 'The Remote Marketer Playbook' and it's an online course teaching the step-by-step process to become a hyper-profitable remote performance marketer. Remote Marketr is a platform made by marketers for marketers, offering a new way for millennials to turn a few digital marketing skills, into a highly-paid remote career.

"Remote work is here to stay," a spokesperson from Remote Marketr said, "but not all remote work is the same, we teach people how to work remotely for themselves which offers unparalleled flexibility and earning potential."

The new Remote Marketer Playbook covers:

- The 3 High-Leverage, In-Demand Marketing Skills To Master
- How To Land High-Value Quality-Clients
- How To Deliver Incredible Results To Clients In Less Than 5 Hours/Week

The Remote Marketer Digital Playbook will be available starting Sept 3rd, at just \$5. For more
