[Texas's pop sisters](#) sing with their ethereal vocals to create a salacious crescendo along with fresh island vibes. The two hot sisters look sizzling in their summer bikinis, dipping in the water and singing smoothly like vanilla ice cream. They capture the beauty of the tropical island in the video and adorn with their sick sexiness. Feel the high spirit of love and the summer season with their musical debut on Youtube.

Buchi Sisterz debuts in the industry with their first EP "**We Always Knew**" that is available on all the major online stores. '[Make It Hot](#)' is the first music video from the EP that was released on July 18, 2020. They are the queen of the Texas hip hop scene who has captured the pop realm of America with the medleys of songs in the new EP. The duo is inspired by the serenity of the green mountains and forest glades and chooses to shoot right in the middle of nature as the perfect spot for their music video. They look stunning in red off-shoulder crop tops and tight hot pants while twerking like they are the life of the party. It fuses the urban pop rhythms with island melodies that create magnificent hooks to keep the fans greedy. The fans are thrilled to watch the two beautiful ladies dancing in the river with wet clothes and drippy lyrics that represent the fire in their hearts.

The two sisters have been grinding in the industry for a few years before releasing the whole new EP that has 12 tracks reveals many unknown facets of their lives. They have created such a plethora of contemporary music with their unique experiences in the industry that reflects in the style of their music presentation. They are determined, hardworking souls of hip hop and pop musicians who fell many times before they were reborn again with powerful musicality. The colorful hip hop grooves in the single '**Moze! Tov**' help you to concentrate in its lyrics and empower your mind to strive for freedom and respect in life. '**Mental**' and '**May Be**' are two super hit pop songs from the EP with lovable falsetto input. Singing about love and life turns out as lovely parables that will help you to understand the quagmire of the emotions. Like their new video on [YouTube](#) and follow them on [Instagram](#).
