

Srikanth RC Cherukupalli - An Attempt to bring back the Western Classical Music era.

Hyderabad, Sep 1, 2020 (Issuewire.com) - *Srikanth RC Cherukupalli is working hard to bring back the Western Classical Music era.*

Classical Music is typical of 17th, 18th Century which was considered to be the Golden Period for all the 3 Formats of Music that is Western, Carnatic and Hindustani, around the Globe.

Over a period of time, there has been a heavy drift away from it and eventually, it leads to a drastic decline in the number of Listeners for Western Classical Music. Same was the scenario for Carnatic and Hindustani Music as well.

His new Music Album **SATSUN STRINGS**, is a rebirth of Western Classical Music with a blend of Technology.

It is the encapsulation of Pure Classical Music with Modern Music Techniques and that is his Style of Music Composition.

The Ambient Feel or Touch gave will be a breath of Fresh Air.

His Music throws light into 3 Main Streams - Western Classical Music, Carnatic Music and Hindustani Music.

Srikanth feels that Classical Music is the foundation and is the parent to all genres of Music.

His SATSUN STRINGS is a complete reference to Basic and Intermediate Music Learners
