

St. John Ultimate Villas – Cleanest, Best Rated Luxury Villa for Rentals

Saint John, Sep 14, 2020 ([IssueWire.com](https://www.issuewire.com)) - For Immediate Release: St. John, US Virgin Islands - September 14, 2020: St. John Ultimate Villas (<https://www.stjohnultimatevillas.com>) provide luxurious Villa and Condo's on the beautiful island of St. John. St. John specializes in Villa rentals and vacation homes along with property management for many of the owners.

They provide the facilities and services to make your stay at St. John Island memorable and comfortable. They have villa rentals with 2-bedroom all the way to 8-bedroom luxury villas.

St. John is the island of "Love City" making it the perfect place to visit with family or friends.

All the villas have a picturesque location, which will give you opportunity to create unforgettable memories. They have an array of vacation properties and they can recommend you the best based on your budget and specific requirements.

Most of their vacation rental homes have their own pools while others have ocean views. This will allow you to relax and enjoy nature and its tranquility. A few of them even have hot tubs! Most have unique features such as game rooms, spas, extra beds for children and more.

These rental vacation homes are also perfect for occasions such as wedding or any special event. There are villas that can host 125 guests. They can help plan your reception in a luxury villa or your ceremony on the beach. They will help you find a planner for the event and even a caterer.

St. John Ultimate Villas is based in US Virgin Islands and is owned by Kristen Cox who has over 25 years' experience in villa management. She is meticulous, savvy, creative and sets high standards, which can be seen in the beautiful villas.

If you are planning a vacation on St. John then count on them for providing the best villa as per your needs and budget and at the same time give you chance to create memories which will stay with you forever and ever. Look no further, checkout the website and book you villa now.
