Get to know Internist Dr. Stacey Donlan, who serves patients in Bellevue, Washington.

New York City, Sep 23, 2020 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Donlan is a skilled internist who is dedicated to providing excellent care in a warm and personal environment. She is the owner & operator of Eastside Premier Medicine, PLLC in Bellevue, Washington.

Following the Concierge Primary Care model of medicine, her practice focuses on patient-centered care with an emphasis on compassion, comfort, and convenience. She believes that her patients deserve as much time and attention as they need to address all of their concerns without feeling rushed.

Born and raised in Hollywood, California, Dr. Donlan graduated from the University of California at Berkeley in 1987. She then went on to attend the Georgetown University School of Medicine, graduating with her medical degree in 1991. Upon the completion of her residency in internal medicine at the University of California, Irvine Medical Center, she joined a pioneering urgent care facility, gaining unparalleled experience in handling a variety of medical issues.

In 1997, Dr. Donlan joined Overlake Internal Medicine Associates where she had a full practice of 2,500 patients. Feeling the desire to give her patients more personalized care and attention, she opened her own practice, Eastside Premier Medicine, PLLC in 2006.

Specializing in the medical treatment of adults, the doctor is board-certified in internal medicine by the American Board of Internal Medicine, a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

An active member of the American Medical Association, the Washington State Medical Association, and the American College of Physicians, Dr. Donlan has referring privileges at Overlake Hospital Medical Center. She has also served on Evergreen Hospital Medical Center's Quality Assurance Board.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

Among her numerous accolades, Dr. Donlan has been the recipient of Compassionate Doctor Recognition (2013), Top 10 Doctor - City (2014), Patients' Choice Award (2017, 2018), and On-Time Doctor Award (2017, 2018). In addition, she has received numerous "Top Doctor" awards from various organizations.

When she is not at the office, she enjoys spending time with her husband, Dan, their three children, and their very, very large dog! Dr. Donlan also loves to travel and explore the world. If she hasn't been there already, it's on her list!
