

Varuna Raizada, MBBS, FACOG, an Obstetrician-Gynecologist with Scripps Green Hospital and Scripps Memorial Hospital La J

Get to know Obstetrician-Gynecologist Dr. Varuna Raizada, who serves patients in La Jolla, California.

New York City, Sep 28, 2020 ([IssueWire.com](https://www.issuewire.com)) - Known for being a conscientious and meticulous obstetrician-gynecologist, Dr. Raizada's specialties include female pelvic medicine and reconstructive surgery/urogynecology. Since 2016, she has been affiliated with Scripps Health, more specifically: Scripps Green Hospital and Scripps Memorial Hospital La Jolla.

A firm believer that gynecologic and urinary issues drastically impact the quality of life for women of all ages, Dr. Raizada performs surgical and outpatient procedures to treat female urinary and bowel leakage, uterine and vaginal prolapse, recurrent bladder infection, painful bladder syndrome, sexual pain, and genital skin problems. Likewise, she works with patients to educate them about treatment options and to find the best possible treatment plan, including collaboration with primary care physicians, pelvic floor physical therapists, pain specialists, colorectal surgeons, and urologists.

Born and raised in the small town of Jammu, nestled in the Himalayan mountain range, Dr. Raizada's acclaimed career in medicine began after she earned her Bachelor of Medicine, Bachelor of Surgery (MBBS) degree from Kasturba Medical College, Manipal in 2002. Upon relocating to the United States, she completed her residency in obstetrics and gynecology at Loma Linda University Medical Center in 2007. This was followed by a fellowship in gastroenterology at the University of California, San Diego in 2009, and a fellowship in female pelvic medicine & reconstructive surgery at the University of Rochester Medical Center in 2012.

Having acquired valuable skills in female pelvic ultrasonography, Dr. Raizada is fellowship-trained in vaginal, laparoscopic and robotic surgical techniques. She has also completed research in the use of 3D ultrasound for pelvic floor injuries and bowel leakage.

A Fellow of the American College of Obstetricians and Gynecologists (ACOG), she is board-certified in obstetrics and gynecology & female pelvic medicine and reconstructive surgery/urogynecology by the American Board of Obstetrics and Gynecology (ABOG). The mission of the ABOG is to define standards, certify obstetricians and gynecologists, and facilitate continuous learning to advance knowledge, practice, and professionalism in women's health.

"I believe that healthy women make better decisions that in turn lead to healthier communities. I also believe that all women, regardless of nationality, social background or economic standing, deserve to be healthy, which is the reason why I participate in health missions abroad" expressed Dr. Raizada.

Obstetrics and Gynecology is the medical specialty that encompasses the two subspecialties of obstetrics and gynecology. An obstetrician-gynecologist, or OB-GYN, is a healthcare professional who specializes in female reproductive health.

When not caring for patients, Dr. Raizada enjoys hiking, needlepoint, and caring for her family and dog. She speaks both English and Hindi.
