Kritn Ajitesh

Mumbai, Oct 21, 2020 (Issuewire.com) - Bhojpuri actor & a famous singer Kritn Ajitesh is now at the door of making history. His song '**Jaane Kaun Hai**' is going to be played outside India, on some popular radio channels in Canada, Russia & Brazil ***what no one has done till date. This will be the first time in Indian history, when an Indian song will also be played in Hindi in these countries. This means that this song of Kirtan Ajitesh is going to be a history. So far you have only heard this song on Indian channels. This time this song will be very popular in abroad also.*** Kritn's song passes over the boundaries of language, region, and country to stamp Indian musical influence in foreign nations.

In 2020, Kritn made his singing debut. 'Ole Ole,' 'Paap Rap,' 'Aiye Jiayra Tu Jaan Chor De', and 'Tere Baap Ka Kya Jata Hai' are some other songs crooned by him. Kritn's albums include Tohse Judai Na Sahal Jaat Ho and Bhula Kya Sakenge.

Kritn Ajitesh overnight became a star and a sensation, after working with Rani Chatterjee, the biggest actress of Bhojpuri, in 'Bitiya Sada Suhaghaan Rah' movie. The actor was also seen in the movie 'Aajkal' with Saif Ali Khan, Deepika Padukone where he played a very small part, that was the starting phase of Kritn Ajitesh journey. Kritn says, "I want to take Bhojpuri and Bollywood to a new era."

Today, Ajitesh's extraordinarily catchy music has clocked millions of views inside India & all over the world. It creates history spanning several millennia. The actor who hails from a very small city never dreamed that such a dream will ever be fulfilled.
