

Ann Steele, RN, MSN, FNP-BC, Board-Certified Family Nurse Practitioner

Get to know Board-Certified Family Nurse Practitioner, Ann Steele, who serves patients in Texas.

New York City, Oct 21, 2020 ([Issuewire.com](https://www.issuewire.com)) - Ann is a board-certified family nurse practitioner who provides continuing and comprehensive healthcare for the individual and family across all ages, genders, diseases, and body systems. She serves patients throughout the state of Texas.

Caring for adults of all ages, including the prison population, she has worked in a variety of settings, including but not limited to: clinical decision unit, step down unit, medical-surgical unit, orthopedic unit, progressive care unit, and acute rehabilitation unit. She also has years of experience in the areas of long-term care, acute care, subacute care, neurocritical care, wound care, trauma care, homecare, and telemedicine.

At the start of her academic career, Ann graduated with her Associate's of Nursing Degree from Milwaukee Area Technical College in 2006. She then went on to earn her Bachelor of Science in Nursing degree from Grand Canyon University in 2016, followed by her Master of Science in Nursing degree from United States University in 2020.

Through the American Nurses Credentialing Center, she holds certifications in Advanced Cardiac Life Support, Basic Life Support (not intended for postnominal use), and Pediatric Advanced Life Support.

In addition, she is a member of the Tennessee Nurse Practitioner Association, whose mission is to promote high standards of healthcare delivery through the empowerment of nurse practitioners and the profession throughout Tennessee State.

A Board-Certified Family Nurse Practitioner (FNP-BC) is an advanced practice registered nurse who holds board certification and works autonomously or in collaboration with other healthcare professionals, to deliver family-focused care. Given the rather broad nature of the "family" patient population focus, FNP's offer a wide range of healthcare services that revolve around the family unit; from health promotion and disease prevention to direct care and counseling across the lifespan.
