

Beck Martin Makes a Permanent Place in the Global EDM Scene With his Tantalizing Cadence in 'Friday Night'

A prominent figure in the EDM scene Beck Martin showcases his passionate rhythmic and vocal performance in his finest resonating piece 'Friday Night'.

London, Oct 22, 2020 ([Issuewire.com](https://www.issuewire.com)) - The genre of EDM has been experiencing a steadily growing surge in popularity across mainstream music swiftly becoming the anthem of the youth. Famous EDM musician [Beck Martin](#) has taken the global EDM community by storm with his finest creation '[Friday Night](#)' from his album I love my life. The number is an exuberant rhythmic force that

takes the audience to the dance floor leaving all their worries and problems behind. The song forms an astonishing build-up from the very beginning and soon flows into an exciting drop that knocks the audience off their feet.

The brilliant singer and performer has become a household name in Britain in 2016 after auditioning for the thirteenth series of The X Factor. For his dynamic performance and breathtaking energy in the show, he acquired the name of Mr. Friday Night gaining a lot of praise from the audience. He is also the proud author of the book called Red Evil that was released in 2014. The multi-talented artist is a fitness enthusiast as well and posts his fitness videos alongside his musical performances regularly on YouTube.

Born in Prague, Czech Republic, he now resides in London, giving wings to his musical dreams. Armed with his hard-earned resonating understandings, **Beck Martin** has established his production house called New World Arts Ltd. His greatest EDM piece '**Friday Night**' features an extraordinarily boisterous electronic beat that brings out the true spirit of the whole ambiance of the song. Listen to his other masterpieces on Spotify and follow him on [Twitter](#), [Facebook](#), and [Instagram](#) for more updates.
