-
- [EMBROIDERY DIGITIZING SERVICES](#): ---

Cre8iveSkill has one of the biggest and most professionally managed computerized embroidery digitizing services in India providing service across the globe. They have a team of highly trained digitizing professionals and machine operators, working together to provide timely and error-free services. The company has 12 most sophisticate "SWF", Korea, brand multi-head machines with many attachments.

They have 10+ workstations with all legal software, a 24x7 work schedule, and their fastest turnaround time has been 2 hours (depending on the job). The final digitized files are available to the clients in the standard DST format but also in various other formats like EXP, EMB, TO1, TO3, DSZ, JEF, PCS, PCQ, and several other formats based on client requirements. We are a professional online embroidery digitizer.

- [VECTOR ART CONVERSION SERVICES](#): ---

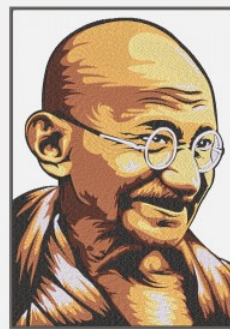

Cre8iveSkill has a team of Graphic designers working round the clock and using legal software like Wilcom E4, Adobe Photoshop, Corel Draw, Illustrator, etc. They have expertise in raster to vector

conversion, vector tracing, background removing, drop shadow, color correction, image retouching, graphic mockup on the product, etc. These services are best suited for marketing, screen printing, promotional and wholesale requirements.

With a diverse and experienced team, the order processing is rapid without any delay. Their motto is to keep it easy for the clients with benefits like manual tracing of the artwork and less than 12 hours turnaround time.

- **Get Quotation for Free:** For Cre8iveSkill, it is very important to understand the client's requirement in-depth and with clarity which may include the format requirement, the fabric quality, size, stitch count, colors, and other important specifications. Once the team is through, it comes up with the best and most affordable pricing for the clients. Getting a quotation will cost nothing.
- **Easy Payment Options:** Payment methods used by the company are absolutely safe and secure. They enable payments through Bank Transfer, PayPal, or through debit/credit card over the phone as their mode of payment as of now. They are evolving and adding more reliable options as well.

[Cre8iveSkill](#) believes in ever-growing and forever evolving themselves with the latest technologies and machinery that are coming up in the market. With these evolutions, the company is making a way to help their clients in the best and most innovative possible way.
