

Danielle Brenza, DO, a Family Physician & Anti-Aging Expert with Ageless Skin & Laser Center

Get to know Family Physician & Anti-Aging Expert Dr. Danielle Brenza, who serves patients in Sewell, New Jersey.

New York City, Oct 2, 2020 ([Issuewire.com](https://www.issuewire.com)) - Dr. Brenza is a board-certified family physician, an anti-aging expert, and a Diamond Status injector of Allergan Botox and Filler products. She opened the doors to Ageless Skin & Laser Center in 2007.

Since that time, she has grown her practice to a bigger location in Sewell, New Jersey, specializing in numerous anti-aging and beauty treatments. Loyal patients travel from all areas of the tri-state, and neighboring towns such as Washington Township, Mullica Hill, Woolwich Township, and Swedesboro, to be “Brenza Beauties.”

The doctor’s goal is to maintain ageless beauty with a gentle conservative, yet comprehensive

approach. She offers an extensive resource of aesthetic and beauty services such as body contouring, facial rejuvenation, laser treatments, oncology aesthetics, skin treatments, and vaginal rejuvenation. Likewise, she uses state-of-the-art equipment for treatments and procedures to safely and effectively deliver results with little to no downtime.

What Dr. Brenza loves most about her profession is creating confidence in each patient she touches. Best known for her injectable technique, her speciality is natural, beautiful lips. She takes pride in rejuvenating faces to look younger.

Following the completion of her Doctor of Osteopathic Medicine degree from the Rowan University School of Osteopathic Medicine in 1998, Dr. Brenza went on to further her education. She completed her internship and a one-year residency in otolaryngology/facial plastics and reconstructive surgery, followed by her residency in general medicine.

With a pursuit to study anti-aging medicine, she traveled to the west coast to learn the latest advances in aesthetic medicine. To date, she remains a master in her field by continuously educating herself on the latest techniques and procedures. She is a member of the American Osteopathic Association, the American Society for Laser Medicine and Surgery, and the New Jersey Association of Osteopathic Physicians and Surgeons.

Named Best Physician for Women and Top Doctor in South Jersey, consecutively since 2012, Dr. Brenza is board-certified in family medicine by the American Osteopathic Board of Family Physicians (AOBFP). The AOBFP is an organization that provides board certification to qualified osteopathic physicians who specialize in delivering comprehensive primary care for patients of all ages, genders, and addressing all parts of the body.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

Outside of practicing medicine, Dr. Brenza enjoys ballroom dancing. Her favorite professional publication is The Aesthetic Guide.
