Get to know Psychiatrist Dr. Darryl M. Coleman, who serves clients in Catonsville, Maryland.

New York City, Oct 5, 2020 ([IssueWire.com](https://www.issuewire.com)) - Dr. Coleman provides medication management, counseling, and therapy services in Catonsville, Maryland and surrounding areas. As an interactive, solution-focused psychiatrist, his treatment approach is to provide support and practical feedback to help clients address current life challenges and long-standing issues.

With compassion and understanding, he helps individuals (adolescents and adults) find resolution to a wide range of personal concerns and psychological issues. These include: depression and anxiety, panic attacks and phobia, sexual and relational problems, medical and health concerns, grief and loss, work and career issues, stress, addiction and recovery, as well as parenting and family issues.

“With an integration of complementary approaches, I draw from a variety of methodologies and techniques to incorporate what is most helpful for each individual. In a comfortable and supportive atmosphere, I offer a highly personalized approach tailored to each of my clients’ individual needs to help them attain the personal growth they’re striving for. Together with each client, I work to develop strengths and achieve life goals” expressed Dr. Coleman.

Back in 1989, he graduated with his medical degree from the University of Maryland School of Medicine. He then went on to perform his residency in psychiatry at the same educational venue.

Psychiatry is the medical specialty devoted to the diagnosis, prevention, and treatment of mental disorders. These include various maladaptations related to mood, behavior, cognition, and perceptions. Psychiatrists evaluate, diagnose, and treat patients with mental, emotional, and behavioral disorders. They conduct thorough psychiatric evaluations, develop treatment plans, prescribe medication, and evaluate treatment results.
