

Earvin Eugene's fame takes new heights. He doesn't hide.

Everywhere we go, we hear Earvin's name, Everyone is saying it. Earvin's face is seen everywhere.

Long Island, Oct 11, 2020 ([Issuewire.com](https://www.issuewire.com)) - Most of the time Earvin just spends his time at home. Here we see him in his backyard. He reads, writes, and creates audiobooks. He just takes every day as it comes. He is enjoying life as we know it. We want to capture photos of him. He has a great smile.

We've seen him grow up. Earvin was never the same with his newfound attention. We know him. There is no denying that he is a good guy and a great friend to us. He is loyal and he always shows his face. We're tied to him. We tried capturing him for more comments and questions, but he's a shy guy. Next time we get a chance we'll see to it to take more photos. Earvin started to focus on his financial accumulation. The only thing we believe is that he is extending a good line of credit with his publishers."
