

Enventure appoints Scott Bach-Hansen, Vice President – Sales for Engineering Services

Portsmouth, Oct 26, 2020 ([IssueWire.com](https://www.issuewire.com)) - Enventure has hired Scott Bach-Hansen as Vice President – Sales for Engineering Services where he works for the overall growth and development of the company's engineering services business in the United States.

He has over 20 years of experience in sales and sales leadership, with a focus on building and developing high performing teams. Over the years, Bach has largely worked with technology and AEC companies, such as Konica Minolta, Sharp and SETTY. He attributes his success to having the ability to set appointments with key decision makers and enabling the operations team members to succeed in supporting the clients he has acquired.

“Scott brings immense industry knowledge, experience and insights to Enventure,” said Girish Shetty, Head of Engineering at Enventure. “His fresh approach and wealth of Engineering know-how will be helpful in mining new opportunities and developing sustainable sales strategy. With Scott, Engineering Services has an additional arm extending 2 decades of expertise to our clients.”
