

Hakuna Matata Solutions strengthens the leadership team to propel growth

Hakuna Matata Solutions Directors names addition of new Non-Executive Director Madhavan Srinivasan to conquer challenges and accelerate growth.

Chennai, Oct 19, 2020 ([Issuewire.com](https://www.issuewire.com)) - Hakuna Matata Solutions announced the addition of new non-executive director, Madhavan Srinivasan to the board, to conquer the challenges, and improve the growth of their business. Madhavan is a technocrat turned serial entrepreneur with more than 3 decades of global IT and Telecom industry experience. He has played crucial leadership roles in a range of functions from Product Management, Sales, and Marketing to Technology management, both as a professional as well as an entrepreneur. He Co-founded three business ventures - Netlabs, Servion, and GQuotient since 1995 and successfully exited from all through mergers and strategic alignment.

“All of us at the Hakuna Matata Solutions see an opportunity to create a big impact on the digital landscape and are thrilled to have Madhavan help us in this critical stage of growth,” said Gengarajan Varadharajan, CEO of Hakuna Matata Solutions. “I’m really excited about the next step of the company and I can’t wait to see where we can go.”

Madhavan’s addition comes as the company was planning for strategic growth in the digital transformation landscape for Manufacturing, Distribution & Logistics industries. “I am excited to have the opportunity to associate with Hakuna Matata Solutions. The company is poised to expand its capabilities, build on the momentum of the past 14 years and grow exponentially. I look forward to being a part of the effort to take the company to the next level, making a positive difference,” Madhavan said.

About the company:
