

Incepta Solutions named one of Canada's Fastest Growing Companies

Mississauga, Oct 21, 2020 ([IssueWire.com](https://www.issuewire.com)) - Canadian Business ranked Incepta Solutions no. 53 out of over 400 Canadian businesses on the 32nd annual Growth List, the definitive ranking of Canada's Fastest-Growing Companies. In addition, Incepta Solutions is humbled to be ranked among the top 5 Information Technology companies in Canada.

Produced by Canada's premier business and current affairs brands, the Growth List ranks Canadian businesses on the performance indicator of revenue growth over the course of five years. The winners are celebrated as the most passionate, innovative, and successful businesses in the country. Incepta Solutions will be featured in a special edition print issue of Canadian Business (published with Maclean's magazine) and profiled online at growthlist.ca and canadianbusiness.com.

Here we grow! This achievement on the 2020 Growth List is attributed to the entrepreneurial spirit of our resilient team of innovators, a full suite of leading-edge technologies provided to our valued clients, and our ongoing commitment to excellence.

"The companies on the 2020 Growth List are really exceptional. Their stories are a masterclass in how to survive when the economy throws a curveball. Despite the turbulence, the 2020 Growth List companies showed resilience, spirit and, most importantly, empathy and strong leadership," says Susan Grimbly, Growth List Editor.

"As we celebrate over 30 years of Canada's Fastest-Growing Companies program, it's encouraging to see that the heart of Canada's entrepreneurial community beats strong, even in tough times."
