

# Infosec train Upcoming Training Batches for Top IT security certifications

Infosec train is glad to announce the latest schedule of upcoming training sessions for the top certifications in the field of information security.

**Delhi, Oct 22, 2020 ([IssueWire.com](https://www.issuewire.com))** - Infosec train is offering training programs for highly reputed certifications in the information security world, including CISSP, CCSP, CEH, CCISO, Security+, AWS Architect Associate, and AWS security specialty. We are the authorized partner of EC-Council, Microsoft, CompTIA, PECB, and Certnexus.

Infosec Train provides a flexible training schedule. Participants can opt for weekdays or weekend training sessions as per their convenience. We also offer one-on-one and corporate training sessions on demand. Our certified and highly skilled Trainers follow a comprehensive teaching methodology emphasizing more on practical and applied knowledge. The interactive training sessions and dedicated labs enable participants to bring the best out of themselves.
